

CPTHN SUMMER STUDENT SCHOLARSHIPS

For a second consecutive year, the Canadian Pediatric Thrombosis & Hemostasis Network will financially support interested Canadian Undergraduate trainees to work for up to 4 months during the Summer of 2023 on a research project in the field of Hemostasis or Thrombosis.

Stipend: 3 Awards of \$5,000 each + coverage of travel to AGM in May 2023

Who can apply?

- Medical students in any year of training.
- Science students in any year of an undergraduate program.
- Applicants must be Canadian citizens or permanent residents.
- Supervisors must hold active CPTHN membership.

How to apply?

- Submit the following to the CPTHN office via email at admin@cpthn.ca by 11:59 pm PST on **March 15, 2023**:
 - Two-page project proposal (12 font, single-spaced, excluding references)
 - 150-word lay description of research proposal and impact (for posting on the CPTHN website)
 - CV of the trainee
 - CV of the supervisor

Evaluation

Applications will be reviewed by an independent peer review committee composed of CPTHN members. The scientific merit of the proposal along with the applicant and supervisor's credentials will be taken into consideration for awarding the scholarship. The names of the successful applicants will be announced by April 14, 2023. Successful recipients will be given an opportunity to present their proposal at the 2023 CPTHN meeting (travel cost will be covered).

Grant Payment

Full Payment is normally made to the financial officer of the host institution at the start of the scholarship term. The host institution will be responsible for issuing a T4A.

Final Reporting Requirements

The student must send a 2-page final report outlining their experience and accomplishments from working on the research project supported by CPTHN. For any future presentation or publication, the support of CPTHN should be acknowledged.
